VIA E-FILING

**RE: 2023 Review of All Jurisdictional Fixed Utilities' Universal Service Programs;
Docket No. M-2023-3038944**

Dear Secretary Chiavetta:

Pursuant to the Pennsylvania Public Utility Commission's ("PUC" or "Commission") Order entered on June 13, 2024, in the above-referenced matter, Citizens' Electric Company of Lewisburg, PA ("Citizens") and Wellsboro Electric Company ("Wellsboro") hereby provide notice of their participation in the Department of Human Services ("DHS") LIHEAP data sharing program. Citizens' and Wellsboro are filing at this general docket because they do not have explicit universal service plan dockets.

Citizens' and Wellsboro will use the LIHEAP data shared by DHS to facilitate outreach when a customer becomes payment troubled and may qualify for hardship funds. The hardship funds available to our customers are managed by outside agencies such as Dollar Energy Fund, the Salvation Army, churches and other community organizations. We will not be able to share the income data with these agencies unless and until the customer consents. We are willing to distribute any Commission or DHS materials regarding the purpose and effect of the checkbox and will post information on our websites.

If you have any questions regarding this filing, please feel free to contact the undersigned. Thank you.

Very truly yours,

Pamela C. Polacek
