Re: Energo Power & Gas LLC
PA PUC Docket Nos. A-2014-2433775
Utility Code 1116723

Dear Secretary Chiavetta:

Please accept this request to begin the abandonment process for Energo Power & Gas, LLC's ("Energo") Electric Generation Supplier license. Please note that Energo no longer serves electric customers in Pennsylvania as all customers were transferred to Constellation New Energy, Inc. (Docket No. A-110036) pursuant to the Notice of Customer Transfer filed with the Commission on December 1, 2023. As a result, customers have already been notified. Further, it is our understanding that the Commission will internally check as to pending issues with the Bureau of Consumer Services and Office of Administrative Law, and therefore no verification as to same is being submitted. The remaining required documentation will be provided.

Please do not hesitate to contact me with any additional questions or concerns.

Very truly yours,

Murray E. Bevan
