SERVICE MANDATE LLC

Request for Information

1) Under #3 on the verified statement questions, you describe your business experience and elaborate on services rendered under a company named EasyUdo Services. Before we can continue to process your application, we would need you to clarify further, please.

a. Are all transportation services you describe in your application to the Commission performed exclusively for a related corporate parent or subsidiary? Yes / No.

b. Since you are using the phrase “majority focus” when describing Service Mandate’s intentions to start transporting EasyUdo Services clients, can we assume that transportation service will also be rendered to others?

If so, who are these people? Can these riders (not EasyUdo Services clients) be considered the general public (people not receiving any services from EasyUdo)?
Yes / No.

c. Also, will additional services be offered as soon as PUC certification is finalized or is this something you may or may not consider later?
