Docket No. C-2024-3050126

**PETITION FOR EXTENSION OF TIME OF
PPL ELECTRIC UTILITIES CORPORATION**

NOW COMES PPL Electric Utilities Corporation (“PPL Electric” or the “Company”) and hereby files this Petition for Extension of Time to Answer the Formal Complaint filed by Michael L. Stout (“Complainant”), which was served on the Company on July 17, 2024. This Petition is made pursuant to the Pennsylvania Public Utility Commission’s (“Commission”) regulations at 52 Pa. Code § 1.15(a).

On July 17, 2024, the Company was served with the above-captioned Complaint. Through the Complaint, the Complainant raises certain net-metering related concerns with respect to an alleged wind turbine present at his property at 109 Emerald Way, Shickshinny, PA 18655 (“Service Address”).

The Commission’s regulations promote settlement. 52 Pa. Code § 5.231(a). Pursuant to the Commission’s regulations, PPL Electric has been investigating the factual circumstances related to the Complaint in the hopes that it can be resolved through settlement. To that end, PPL Electric has had a settlement discussion with the Complainant and is optimistic that future

settlement discussions will resolve all of the issues raised in the Complaint. Those settlement discussions remain ongoing as of the date of this Petition.

WHEREFORE, to accommodate further settlement discussions, PPL Electric Utilities Corporation hereby requests an extension of two weeks, **until August 20, 2024**, to answer the Formal Complaint.¹ PPL Electric has discussed this proposal with the Complainant and understands that he does not oppose the request.

Respectfully submitted,
