3. The respondent utility is:

The Newtown Artesian Water Company

P. O. Box 217

4. The Complainant is authorized and directed by the Small Business Advocate Act,

Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50, to represent the interests of small business

consumers of utility services in matters before the Pennsylvania Public Utility Commission (“Commission”).

5. This complaint is filed against the rates, terms, and other provisions of Supplement No. 136 to Tariff Water - Pa. P.U.C. No. 9 (“Supplement No. 158”), which was filed on July 19, 2024, by The Newtown Artesian Water Company (“Company”). The proposed tariff supplement, if approved by the Commission, would increase the overall revenues by \$922,419 per year, or approximately 14% of annual revenues.

6. Upon preliminary review of the materials filed by the Company in support of its proposed Supplement No. 158, Complainant believes, and therefore avers, that those materials may be insufficient to justify the rate increase requested, and that the Company’s present and proposed rates, rules, and conditions of service may be unjust, unreasonable, unduly discriminatory, and otherwise contrary to law, particularly as they pertain to small business customers.

7. The Company is requesting a rate of return on common equity of 8.03%.

8. Complainant believes, and therefore avers, that the Company’s requested return on common equity will provide an excessive return on the Company’s investments and is unjust, unreasonable and contrary to law.

9. Complainant believes, and therefore avers, that the Company’s present and proposed rates, rate design and cost and revenue allocation are or may be unjust, unreasonable and unlawfully discriminatory in violation of, inter alia, Sections 1301 and 1304 of the Public Utility Code, 66 Pa. C.S. §§1301 and 1304, and contrary to appropriate public policy and sound ratemaking considerations, and may not be supported by the materials filed by the Company.

10. In view of the foregoing, the Small Business Advocate respectfully requests that the Pennsylvania Public Utility Commission:

- A. Suspend and investigate the operation of proposed Supplement No. 158;
- B. At the conclusion of such investigation, reject the proposed new rates and other tariff changes in Supplement No. 158 to the extent required to ensure that the Company's rates are lawful, just, reasonable and not unduly discriminatory to any class of customers, including small business consumers; and
- C. Grant such other relief as may be necessary or appropriate.

Respectfully submitted,

**PUBLIC STATEMENT OF THE
OFFICE OF SMALL BUSINESS ADVOCATE**

The Small Business Advocate is authorized and directed to represent the interest of small business consumers of utility services in Pennsylvania under the provisions of the Small Business Advocate Act, Act 181 of 1988, 73 P.S. §§ 399.41 - 399.50 (“Act”). The Act further provides that the Small Business Advocate is to issue publicly a written statement stating concisely the specific interest of small business consumers to be protected by initiation of or intervention in any proceeding involving those interests before the Public Utility Commission or any other agency or court. This public statement relates to the filing today by the Small Business Advocate of a complaint against proposed Supplement No. 158 to Tariff No. 9 of The Newtown Artesian Water Company (“Company”).

The Company’s proposed Supplement No. 158 would increase by approximately \$922,419 the level of rate revenues currently being collected from all customers, including its small business customers. The requested rate increase, if approved in full by the Commission, would provide an 8.03 % return on common equity.

The Small Business Advocate filed a formal complaint against the Company’s proposed rate increase in order to protect the interests of the utility’s small business customers. A

preliminary review of the data filed by the Company in support of its request for a rate increase indicates that the costs claimed by the utility for ratemaking purposes may be excessive. A thorough inquiry by the Public Utility Commission into all of the elements of the Company's request for such a rate increase is necessary to ensure that the utility's rates, including any new rates that may be set in this proceeding, are just and reasonable.

In view of the foregoing, the Small Business Advocate will participate in proceedings before the Public Utility Commission to investigate the reasonableness of the proposed rates in the Company's proposed Supplement No. 158. The Small Business Advocate will ask the Commission to deny any proposed rate increase or other changes in the Company's present tariffs that apply to small business customers that are not proven by the Company to be lawful, just, reasonable and non-discriminatory to all of its customer classes.
