RE: Conneaut Lake Park Water Corporation, Inc. Settlement Compliance Report at Docket
No. R-2023-3041575

Dear Attorney Shaw:

On August 5, 2024, the Pennsylvania Public Utility Commission's (Commission's) Secretary's Bureau received correspondence entitled, "Obligations under the Settlement Agreement" (Correspondence). This Correspondence was not filed with the Commission's Secretary and was not in the form of a pleading, such as a report of compliance (Compliance Report) pursuant to 52 Pa. Code § 5.591 (relating to Reports of compliance) and the Commission's Order entered August 1, 2024, at Docket No. R-2023-3041575. The Correspondence was added to the above docket number so the Commission could review the Correspondence. Upon review, the Correspondence appears to be responding to the requirements of the Commission's Order entered August 1, 2024, at Docket No. R-2023-3041575. This Secretarial Letter is to inform you that the Correspondence does not comport with the requirements of 52 Pa. Code § 5.591 and is hereby rejected by the Commission without prejudice for refile as a proper pleading.

Through this Secretarial Letter, Conneaut is advised that it is prohibited from implementing the water rate and tariff changes agreed to in the Joint Petition for Settlement filed on May 17, 2024, at Docket No. R-2023-3041575 (Settlement) until Conneaut files a Compliance Report at Docket No. R-2023-3041575 that conforms with the requirements of the Commission's Order entered August 1, 2024 at Docket No. R-2023-3041575 and that complies with 52 Pa. Code § 5.591. Also, the Commission must deem Conneaut's Compliance Report to be complete and any comments submitted under the Settlement's Paragraph 28 to be resolved.

Our records on the instant matter of the Correspondence will now be closed. If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code § 5.44, file a petition to appeal this action of staff with the Commission within 20 days of the date this Secretarial Letter. If you have any questions in this matter, please contact Paul Zander of the Water/Wastewater Section in the Bureau of Technical Utility Services via telephone at (717) 783-1372 or via e-mail at pzander@pa.gov.

Sincerely,

Rosemary Chiavetta
Secretary
