

Case # ~~C-2024-30462332~~

C-2024-3046232-AEL-8/13/24

RCUD PLC SEC BLR
JUL 25 2024 AM 10:41

Hearing Date: Tuesday, Aug. 27, 2024 10am

I Michael Weishner request a hearing continuance.

I have been in poor health and have a scheduled doctor appointment on Aug. 27, 2024 @ 10am. This is a long-standing appointment and is not easily rescheduled.

Attached is a copy of the appointment card.

This case is very important to me.

But, my health must come first.

With all due respect to the court, I am requesting that the date of the hearing be changed.

I would also like it taken into consideration that I have a doctor's appointment on September 16th, 2024, and that day would not work for me.

Please accept my apologies to all parties for this inconvenience.

I am looking forward to having this case resolved and will make every effort to accommodate the New date.

I have not spoken to the other party and do not know if they are in agreement.

Sincerely,

Michael V Daci
