**RE: Default Service Supply
Effective September 1, 2024
M-2024-3049853**

Dear Ms. Maye:

The Bureau of Audits has reviewed Duquesne Light Company's proposed Supplement No. 79 to Tariff Electric-Pa. P.U.C. No. 25 and the supporting rate computations submitted on July 1, 2024 to become effective on September 1, 2024.

Based upon staff review, it appears that the proposed Default Service Supply (DSS) rates for the Medium Commercial & Industrial classes for the three-month period of September 1, 2024 through November 30, 2024 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The DSS charge is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2024-3049853.

Sincerely,

Rosemary Chavetta
Secretary
