NO ACTION REQUIRED: Your service will continue under your current service agreement without interruption.

Dear «Customerfirstname» «Customerlastname»,

Inspire Energy Holdings, LLC (“Inspire”) has appreciated the opportunity to serve as the Natural Gas Supplier (“Supplier”) for your «Utility» account. However, in accordance with your terms and conditions, we are writing to let you know that Inspire will assign your natural gas service to Major Energy Services (“Major Energy”), another Supplier licensed by the Pennsylvania Public Utility Commission. This change will take effect approximately 30 days after the date of this assignment notice, on approximately «Reassignment_Date». After such date Major Energy will provide your natural gas supply service.

Please note, if you receive electricity service from Inspire in addition to natural gas service, Inspire will remain your Electric Generation Supplier while Major Energy will become your Supplier for natural gas service.

Major Energy is run by an experienced team of energy experts with decades of retail energy supply and utility experience. The Major Energy team’s experience in deregulated energy markets enables them to offer competitive prices and friendly customer service.

No action is required on your part when this transfer occurs. Major Energy will honor your current agreement in place with Inspire and, except for a change in your Supplier, there will be no other changes to the terms or conditions during the current contract duration. This transfer will not cause an interruption of your natural gas services and you should continue to pay your «Utility» bill as normal and call «Utility» in case of an outage or emergency just as you do today. You may decline to be assigned to Major Energy in accordance with the cancellation provisions in your current contract with Inspire by contacting Inspire at the telephone number below. If you decide to not have your contract assigned, you will be returned to your local natural gas distribution company default service unless you enroll with Major Energy or another supplier. The same quality support and service that you are used to with Inspire will continue with Major Energy.

As set forth in your current contract with Inspire, if you have a fixed rate supply plan with Inspire, your supply service will continue with the same fixed rate until the end of your current contract duration or upon cancellation of service. You may also contact Major Energy directly to see what other options are available to you, including new options with Major energy when your contract expires.

If you have any questions about the transfer of service, please contact Inspire by «Last_Day_to_Call». For your convenience, the contact information for both companies is shown below. We thank you for the opportunity to serve you and we are confident you will enjoy your new service with Major Energy.

NO SE REQUIERE ACCIÓN: Su servicio continuará bajo su acuerdo de servicio actual sin interrupciones.

Estimado «Customerfirstname» «Customerlastname»,

Inspire Energy Holdings, LLC (“Inspire”) ha apreciado la oportunidad de servir como su Proveedor de Gas Natural (“Proveedor”) para su cuenta de «Utility». Sin embargo, de acuerdo con sus términos y condiciones, le escribimos para informarle que Inspire asignará su servicio de gas natural a Major Energy Services (“Major Energy”), otro Proveedor licenciado por la Comisión de Servicios Públicos de Pensilvania. Este cambio tendrá efecto aproximadamente 30 días después de la fecha de este aviso de asignación, aproximadamente el «Reassignment_Date». Después de dicha fecha, Major Energy proporcionará su servicio de suministro de gas natural.

Tenga en cuenta que si recibe servicio de electricidad de Inspire además del servicio de gas natural, Inspire seguirá siendo su Proveedor de Generación Eléctrica mientras que Major Energy se convertirá en su Proveedor de servicio de gas natural.

Major Energy está dirigido por un equipo experimentado de expertos en energía con décadas de experiencia en suministro de energía minorista y servicios públicos. La experiencia del equipo de Major Energy en los mercados de energía desregulados les permite ofrecer precios competitivos y un servicio al cliente amigable.

No se requiere ninguna acción de su parte cuando ocurra esta transferencia. Major Energy honrará su acuerdo actual con Inspire y, excepto por un cambio en su Proveedor, no habrá otros cambios en los términos o condiciones durante la duración del contrato actual. Esta transferencia no causará una interrupción de sus servicios de gas natural y debe continuar pagando su factura de «Utility» como de costumbre y llamar a «Utility» en caso de un apagón o emergencia tal como lo hace hoy. Puede optar por no ser asignado a Major Energy de acuerdo con las disposiciones de cancelación en su contrato actual con Inspire contactando a Inspire en el número de teléfono a continuación. Si decide no tener su contrato asignado, será devuelto al servicio predeterminado de su compañía local de distribución de gas natural a menos que se inscriba con Major Energy u otro proveedor. El mismo soporte y servicio de calidad que está acostumbrado con Inspire continuará con Major Energy.

Como se establece en su contrato actual con Inspire, si tiene un plan de suministro de tarifa fija con Inspire, su servicio de suministro continuará con la misma tarifa fija hasta el final de la duración de su contrato actual o hasta la cancelación del servicio. También puede contactar directamente a Major Energy para ver qué otras opciones están disponibles para usted, incluyendo nuevas opciones con Major Energy cuando su contrato expire.

Si tiene alguna pregunta sobre la transferencia de servicio, por favor contacte a Inspire antes de «Last_Day_to_Call». Para su conveniencia, la información de contacto de ambas compañías se muestra a continuación. Le agradecemos la oportunidad de servirle y estamos seguros de que disfrutará de su nuevo servicio con Major Energy.
