RE: Continuous Bond
Technology Resource Solutions Inc
A-2021-3026410

Dear Ms. Rowen,

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Technology Resource Solutions Inc because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument is outdated. We have a Continuous Bond dated October 1, 2019 on file, this filing is a duplicate therefore no further action is required.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is written in a cursive, flowing style.

Rosemary Chiavetta
Secretary of the Commission
