Re: *Thomas and Norma Mosley v. Metropolitan Edison Company*
Docket No. C-2018-3001526

TO ALL PARTIES:

By Secretarial Letter dated August 6, 2024 (*August Secretarial Letter*) the Secretary of the Commission notified the Parties that a filing was received from the Complainants, dated July 30, 2024 (*July 30 Correspondence*), in the above-caption proceeding, which was deemed to be a Petition for Reconsideration of the Commission's Order entered on August 5, 2024. Therefore, the *August Secretarial Letter* also perfected service of the deemed Petition on the Parties.

Upon further review of the document filed by the Complainants, however, it appears that the document was deemed to be Petition for Reconsideration in error. The document filed is now determined to be correspondence from the Complainants. We note that the Complainants' July 30 Correspondence was deposited in the United States Postal Service mail and addressed to the Office of Administrative Law Judge rather than the Secretary of the Commission. Further, the correspondence was received by the Secretary on August 5, 2024, the same day that the Commission's Opinion and Order was entered. Therefore, it is clear the Complainants' July 30 Correspondence was not seeking reconsideration of the Commission's August 5 Order.

Therefore, the Parties are hereby advised that the filing received from the Complainants will be accepted for filing as correspondence to the proceeding, rather than a Petition for Reconsideration.
