RE: Bond Continuation
Just Energy Solutions Inc
A-110117

Dear Ms. Garner:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Just Energy Solutions Inc because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The line indicating the date on which the instrument was signed, sealed and dated is November 28th, 2023. This past date is not acceptable and must reflect the actual current date the bond is signed and sealed by the issuer.

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery to my office address listed above.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rosemary Chiavetta', written in a cursive style.

Rosemary Chiavetta
Secretary of the Commission
