RE: Baltimore-Washington Telephone Company
Application for Approval to Offer Competitive Local Exchange Services
A-2023-3041706

Dear Ms. Chiavetta:

Per Staff request, I have enclosed a revised page from Baltimore-Washington Telephone Company's Application for Approval to Offer Competitive Local Exchange Services. The only change to the attached page is to add the territories of Verizon North.

Any questions you may have regarding this filing should be directed to my attention at 405-470-4649 or via email to mdean@inteserra.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Dean".

- 10. PROPOSED SERVICES:** Describe in detail the services which the Applicant proposes to offer. If proposing to provide more than one category in Item #9, clearly and separately delineate the services within each proposed operation. Provide a brief description of the facilities the Company will use to provide services. Specify whether those facilities are Company-owned or obtained from other companies as UNEs or on a resold basis.

Wholesale call origination and termination via the PSTN on an unbundled basis. Calls are being completed by ILEC tandem. Facilities will be TDM trunking and TDM switching services, both of which will be procured from a 3rd party carrier. See attached graph (Exhibit E). Facilities are on a UNE and resold basis.

- 11. SERVICE AREA:** Describe the geographic service area in which the Applicant proposes to offer services. Clearly and separately delineate the service territory for each category listed in Item #9. For Competitive Local Exchange Carrier operations, you must name and serve the Incumbent Local Exchange Carriers in whose territory you request authority.

Company intends to provide service in the territory of Verizon Pennsylvania LLC and Verizon North.

- 12. MARKET:** Describe the customer base to which the Applicant proposes to market its services. Clearly and separately delineate a market for each category listed in Item #9.

Services will be marketed only to wholesale telecom customers by way of known telecom contacts, word of mouth, trade shows, etc.
