RE: **Docket No. F-2019-3008809**

Secretary Chiavetta:

Due to extremely difficult family medical circumstances, we respectfully submit this notice of our intention to file, nunc pro tunc, a *Petition for Review* of the Commission's decision concerning our Formal Complaint with the Pennsylvania Commonwealth Court.

Since June of this year, our granddaughter has suffered two cardiac arrests and remains hospitalized with severely life-threatening complications in pediatric intensive care at Children's Hospital of Philadelphia.

We respectfully request that PPL Electric Utilities refrain, or be restrained, from pursuing replacement of the electric meter presently on our home with a wireless smart meter, at least until such time that decisions are rendered in each of the following cases pending before the Pennsylvania Supreme Court, namely:

Petition for Allowance of Appeal in Alexia and Lawrence McKnight v. Public Utility Commission
and
Petition for Declaratory Judgment brought forth by petitioner, Nancy Colbert.

The outcomes of these other legal actions will fundamentally impact our own case, and PPL Electric Utilities will not be harmed, given that we pay our electric utility bills faithfully and on time and will provide accurate meter readings if/as needed.

As per the attached *Certificate of Service*, this submission and request was served to the parties of record via electronic mail on August 31, 2024.

Thank you.

John Holder, Janet Holder
