RE: Natural Gas Supplier License Application Deficiency Letter No. 2

Dear Mr. Boucher:

On August 15, 2024, the Pennsylvania Public Utility Commission (Commission) received Fidelis United Energy Solutions LLC's Application for a Natural Gas Supplier (NGS) license. On September 3, 2024, the Commission served a Deficiency Letter that stated the received Application was incomplete and the Applicant must correct the deficiencies detailed in the letter within 20 days. On September 3, 2024, the Applicant filed a response to the Deficiency Letter correcting all stated deficiencies except for one, 7.a: Bonding.

On September 9, 2024, the Applicant informed Commission staff via email correspondence, that it did **not** serve a copy of its non-confidential NGS Application Package to all the parties listed in its signed Certificate of Service (Appendix C of the NGS Application Package).

In order for the Commission to accept the Application for review, the Applicant must provide the missing Bonding Letters, a new signed and dated Certificate of Service with the actual date the parties listed on the Certificate of Service are served a copy of the Application, and proof of service (ex. tracking information) for each party listed on the Certificate of Service.

Please use the Commission's efilings system or an overnight delivery service to submit the requested information to the Secretary of the Commission **on or before September 23, 2024**. The Commission accepts all public documents through our efilings system and strongly recommends companies open an efilings account through the Commission's website at <https://efiling.puc.pa.gov>. Use of the efilings system will ensure that submissions by the company are received timely and receipt can be verified.

If your filing contains confidential material, you are required to either file by overnight delivery or submit to the Secretary's Share Point File system to ensure the timely filing of your

submission. Filers should contact the Secretary's Bureau in advance to gain access to the Share Point File system. Make sure to reference the Docket Number listed above and mark the materials "CONFIDENTIAL" in bold or highlighted manner if any of the requested information is deemed to be of a confidential nature.

The overnight address for hard-copy or confidential responses is:
