RE: Bond Rider
National Gas & Electric LLC
A-2015-2517744

Dear Ms. Roe:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of National Gas & Electric LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

In all locations where the name of the Principal appears, please note that this must match exactly with the license issued by the Commission. The Principal Company's name is National Gas & Electric, LLC not National Gas Electric, LLC.

Please file the corrected, originally signed and sealed security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Rosemary Chiavetta
Secretary of the Commission
