Good morning Judge Heep,

PGW understands that this matter will be continued, but asks that you note PGW's objection on the record. Ms. Wilson has known for quite some time that she was to retain counsel for this matter, but waited until the night before the hearing to make this request. Also, Ms. Wilson followed none of the procedures outlined for requesting a continuance. Instructions on both obtaining counsel and requesting a continuance were clearly laid out by Your Honor in the Prehearing Order issued on February 21, 2024.

Sincerely,
Graciela Christlieb

Dear Ms. Delvillar:

This matter is currently set for a hearing on May 22, 2024. I have continued to try to find an attorney but have not yet been successful. PGW's counsel has agreed to a 30 day continuance of the hearing so that I can retain counsel. Thank you.
