RE: Bond Continuation  
Goldstar Energy Group Inc  
A-2009-2143586

Dear Ms. Stokes,

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Goldstar Energy Group Inc because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

**The enclosed financial instrument does not have a "wet ink" original signature or raised seal for the surety company.**

**Obligee name is incorrect. Name of the Obligee should be 'Pennsylvania Public Utility Commission'**

**Incorrect Bond number - Upon review of Goldstar Energy Group Inc's file folder, it appears that the Commission does not hold the Original Bond associated with the enclosed Bond continuation. Please correct the bond number.**

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery to my office address listed above.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first name being more prominent.

Rosemary Chiavetta  
Secretary of the Commission
