Docket No. A-2024-3051086
H2H AIR SOLUTIONS, LLC, T/A AAP NMP TRANSPORTATION
Data Request

1. What is the anticipated cost for the 2022 Ford Transit, VIN Number NMOGE9E20N1531485? Will this vehicle be purchased in full, or financed through a lender? What is the anticipated financed balance and terms (if the vehicle is not purchased in full with cash).
2. Please provide an itemized accounting of the disclosed \$6,000 of “[p]roperty (buildings, land, etc.)” Please bear in mind that these items must be owned by the applicant and not the applicant’s members.
3. Insufficiently funded applicants will be denied for lack of financial fitness. If Mr. Reddy intends to demonstrate fitness for the applicant then he should ensure that it is fully funded now, rather than waiting to deposit funds at a later date.

Is there a reason Mr. Reddy has not fully funded the applicant by this point in the application process. Upon review, it appears that Mr. Reddy may be relying heavily on credit to finance the day to day needs of the applicant. The Commission must also consider the projected debts of \$10k-\$20k (annually) for insurance, as well as the financing of a vehicle presently listed online for the price of \$33.5k (<https://www.truecar.com/used-cars-for-sale/listing/NMOGE9E20N1531485/>). At this point, the applicant appears insufficiently funded.

4. Please review the below criteria and submit a revised compliant Statement of Financial Position if changes are made from your previous submission:
 - a. The statement presented must be **DATED** and comprised of information **which is less than 6 months old.**
 - b. The submission **MUST** be comprised of information which is **accurate as of the date provided.**
 - c. **The information is to be exact and should not include estimates or approximations when accurate numbers are available.** Property and vehicle valuations may be approximations; however, if the valuation is higher than typical Kelly Blue Book (or similar) valuations, you should provide an explanation as to why (e.g. vehicle with an installed wheelchair lift, etc). Bank accounts and loan balances should be exact amounts (rounded to the nearest dollar). Evidence of financial fitness may be requested to substantiate the presented balance sheet if deemed necessary.

The purpose of the verified statement questions is to determine your ability to provide safe, efficient, and reasonable transportation. It is in your best interest to provide accurate, complete, and timely responses. Failure to do so is sufficient grounds to justify the denial of your application **because YOU have failed to provide sufficient evidence of your fitness to operate.** Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney or financial expert familiar with Commission regulated Motor Carrier related proceedings is highly encouraged.

- d. **ALL relevant assets and debts** are to be included (for example: vehicle loan balances/vehicle asset value, etc.).
- e. **The information provided is also to be strictly limited to assets and debts HELD BY THE APPLICANT (H2H AIR SOLUTIONS, LLC, T/A AAP NMP TRANSPORTATION), and not the individual member(s). Any property and accounts listed MUST be registered or titled to the corporation. Bank accounts must be in the name of (H2H AIR SOLUTIONS, LLC, T/A AAP NMP TRANSPORTATION). Vehicles must be registered to (H2H AIR SOLUTIONS, LLC, T/A AAP NMP TRANSPORTATION). Property must be titled to (H2H AIR SOLUTIONS, LLC, T/A AAP NMP TRANSPORTATION). If these items are not in the name of (H2H AIR SOLUTIONS, LLC, T/A AAP NMP TRANSPORTATION), they should NOT be included on the balance sheet.**

If you have not fully funded and equipped the business, now is the time to do so (before re-submitting your corrections). Applicants lacking suitable finances, resources, and equipment will be denied authority.

Finally, in order to fully assist the Commission in determining your financial fitness, please provide supporting documentation for the statement of financial position (balance sheet). Acceptable means of support include current copies of bank statements (account numbers may be redacted), and notarized/official statements of account balances/ownership provided by bank officers (with current contact information). Any and all claimed vehicles or land/buildings must also include proof of ownership/registration. Supporting documents for the claimed \$50k credit will also be required.

You are encouraged to enlist professional financial assistance if you experience difficulty in constructing your statement of financial position. Be advised that failing to provide an acceptable financial statement is sufficient grounds for the denial of your application.
