Request for Information

- 1) In regard to Question #10 of the application for proposed service area: Please consider that your request should only indicate the areas from which you intend to **originate** service. Your proposed service area must also be fully bound, and easily discernible. This may be achieved by the use of municipal boundaries, roads, railroads, or natural boundaries such as rivers and streams, etc. Generally speaking, naming counties is the most wide-spread manner of achieving this goal, but other properly bound descriptions are acceptable if correctly prepared. Examples of sample territories are provided on the application itself, and your proposed territory should be written in similar format, clearly and concisely.

YOU SHOULD ONLY SPECIFY AREAS FROM WHICH YOU WISH TO ORIGINATE SERVICE.

Example(s):

- a. Paratransit service between points in the counties of X, Y, and Z. (Transporting ONLY between points in those counties.)
 - b. Paratransit service from points in the counties of X, Y, and Z, to points in Pennsylvania, and return. (Meaning you can drop off anywhere in the state.)
- 2) Also note that for the purposes of the PUC Authority, referring to persons whose person convictions (RELIGION) prevent them from owning or operating motor vehicles DOES NOT REFER TO PHYSICALLY, MENTALLY OR DEVELOPMENTALLY DISABLED PEOPLE, IT REFERS ONLY TO AMISH PEOPLE. Therefore, that language should NOT be used in your description of service. Please call Jerome Elliott, 717-214-7155 to discuss correct phrasing for your authority.
 - 3) No vehicle is listed and it is unclear what your proposed business plans to use as your vehicle. Note that insurance cannot be obtained without a vehicle. Please explain in detail. Also note that insurance quotes would vary widely with different types of vehicles.
