Docket Number: C-2024-3047840

To All Parties of Record:

On October 4, 2024, my office received Exceptions to the Initial Decision of Administrative Law Judge Brady in the above captioned matter. Our review of the filing revealed that no certificate of service or other indication that the parties of record to the case were served with the Exceptions. Therefore, we have enclosed a copy of the Exceptions to constitute service for purposes of 52 Pa. Code §5.533.

Sincerely,

Rosemary Chiavetta

Exception for Christopher Haymes vs PGW Docket # C-2024-3047840

Philadelphia Gas works has done nothing but belittle and bully myself and my family, I have been calling PGW for weeks trying to work something out . They have given me nothing but different amounts and put me in contact with another department that has been no help at all, they literally said they have a note on my account and we have been given the run around, the attorney for PGW has been on a personal mission to hurt my family. We received a letter from pdw showing we owe 2900 and then when I called they said its 3850 and they said we are due to be shut off on Monday. They did not even give us a notice. Also like I keep saying the amount PGW is saying we owe is wrong. They reversed a payment that was paid out from an estate and stuck us with the bill. How is that fair. I had one letter from the puc stating that the case was closed and there was nothing we could do, then I got another letter from the puc saying we can appeal this case. I need to tell the judge all the horrific things that PGW has been doing and I need them to correct this bill. They are saying we get shut off on Monday with no written notice given. Please please I respectfully ask we get to talk to a judge.

Thankyou,

Christopher Haymes
