Re: Purchased Gas Cost Filing of Peoples Natural Gas Company LLC

Dear Ms. Scanlon:

By Order entered September 12, 2024, the Commission authorized Peoples Natural Gas Company LLC (the Company) to file a tariff supplement containing changes in rates to provide for the recovery of the costs of purchased gas, consistent with the terms and conditions of the Joint Petition for Settlement filed in the above docket, and pursuant to 66 Pa. C.S. § 1307(f). On September 30, 2024, the Company filed Supplement No. 3 to Tariff Gas - Pa. P.U.C. No. 48, effective October 1, 2024, in compliance with the Order and the Commission's regulations that permit gas utilities to update their gas cost recovery rate on a quarterly basis. The compliance filings also reflect updates to Riders USR, MFC, and Supplier Choice in accordance with the Company's tariff.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, the supplement is effective by operation of law as of the effective date contained on each page. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

Sincerely,
