A-2024-3050895

**TO ALL PARTIES OF RECORD**

Application of Gigapower, LLC for approval of the alteration of the crossing where State Route 2006 (Boulevard Avenue) crosses, at grade, track of Delaware-Lackawanna Railroad (DOT 249 629 S) by the installation of new aerial fiber optic communication facility in Dickson City Borough, Lackawanna County.

To Whom It May Concern:

By application received by the Commission on August 23, 2024, Gigapower, LLC (Gigapower) seeks Commission approval to alter the at-grade crossing where State Route (SR) 2006 (Boulevard Avenue) crosses a single track of Delaware and Lackawanna Railroad (DLRR) (DOT 249 629 S) by the installation of a new aerial fiber optic in the Borough of Dickson City, Lackawanna County.

Gigapower will install a new aerial fiber optic cable which will be attached to existing poles, within the right-of-way of SR 2006 (Boulevard Avenue) and DLRR. The new aerial facility will provide 24.8-feet of clearance above the top of the rail.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its application, Gigapower states that the proposed aerial installation is necessary to provide the residents of Dickson City access to high quality fiber optic internet. Gigapower will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for its facilities, at its sole cost and expense. The cost of the project is anticipated to be approximately \$10,000.

All work is to be performed in accordance with the plans hereby entitled: "EXHIBIT A" consisting of six (6) sheets submitted to the Commission with the subject application.

Gigapower has served a copy of the application and plan on DLRR, Dickson City Borough, PPL, Verizon Pennsylvania, Inc., North Penn Long Distance Corporation/North Penn Telephone, Americomm-Comcast, Teleport Communications America, LLC, CTSI, LLC, ZitoMedia, XO Communications, Inc., ION Holdco, LLC and the Pennsylvania Department of Transportation. Gigapower did not include the county, Lackawanna County, as a party of record on the application or send them a copy of the application. All parties in interest, including Lackawanna County, were queried by letter dated September 4, 2024, sent via email as to any objection to the subject application and plans. None of the parties have responded with any objection to the subject, application or plans. Lackawanna County will be added as a party of record to this case in this Secretarial Letter.

The Commission has exclusive jurisdiction in crossing alterations and is the final arbiter of any fees associated with a crossing application. Any conditions, including fees associated with a crossing application, must be approved by the Commission.

Upon full consideration of the matters involved, we find that a hearing is not necessary and that a Secretarial Letter may be issued approving the application.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that the alteration of the crossing is necessary and proper for the service, accommodation, convenience, or safety of the public.

The application of Gigapower, LLC, is approved as herein directed:

1. The caption of the subject proceeding is hereby revised as shown herein.
2. Lackawanna County be made a party hereto.
3. The crossing where State Route 2006 (Boulevard Avenue) crosses, at grade, a single track of Delaware Lackawanna Railroad (DOT 249 629 S) in Dickson City Borough, Lackawanna County be altered generally in accordance with the plans hereby entitled: "EXHIBIT A" consisting of six (6) sheets submitted to the Commission on August 23, 2024; which plans are made part hereof and is hereby approved except insofar as they may relate to the division of work, deletion of work, or the allocation of costs and expenses incident to the installation of the project.
4. Gigapower, LLC, at its sole cost and expense, furnish all material and perform all work necessary to alter the crossing by installing a new aerial fiber optic wire, to be attached to existing poles, where State Route 2006 (Boulevard Avenue) crosses, at grade, a single track of Delaware Lackawanna Railroad, all in accordance with the approved plan and this Secretarial Letter.

5. Gigapower, LLC, at its sole cost and expense, furnish all material and perform all work necessary to establish and maintain any detours or traffic controls that may be required to properly and safely accommodate highway and pedestrian traffic during the time the crossing is being altered.

6. Any relocation of, changes to the crossing, removal of any adjacent structures, equipment or other facilities of any non-carrier public utility, other than Gigapower, LLC which may be required as incidental to the alteration of the crossing, be made by said public utility at its initial cost, and in such a manner as will not interfere with the alteration of the crossing; and such relocated or altered facilities thereafter be maintained by said public utility, at its sole cost and expense.

7. Delaware Lackawanna Railroad, at the sole cost and expense of Gigapower, LLC, furnish all material and perform all work relating to its facilities which may be required as incidental to the performance of the proposed work and furnish any watchmen, flagmen, inspectors and/or engineering services that may be deemed necessary to protect the railroad's operations or facilities during the time the facilities are being installed.

8. Gigapower, LLC, at its sole cost and expense, furnish all material and perform all work necessary to complete the remainder of the project, and any other ancillary features of the project, generally in accordance with the approved plan and this Secretarial Letter.

9. The alteration of the crossing be completed on or before October 31, 2025, and that on or before said date Gigapower, LLC report in writing the date of actual completion of the work to this Commission and certify to the parties of record and this Commission that the work has been satisfactorily completed in accordance with the approved plan and this Secretarial Letter.

10. Gigapower, LLC, at its sole cost and expense, pay all compensation for damages, if any, due to owners of property taken, injured, or destroyed by reason of the alteration of the crossing in accordance with this Secretarial Letter.

11. All parties involved herein cooperate fully with each other so that during the time the work is being performed, vehicular, pedestrian and railroad traffic will not be endangered or unnecessarily inconvenienced, and so that the requirements of each of the parties will be provided for and accommodated insofar as possible.

12. Gigapower, LLC cooperate with the non-carrier utilities involved, so that during the alteration of the subject crossing, the facilities of the non-carrier utilities will not be endangered or unnecessarily interrupted.

13. Gigapower, LLC, at least seven (7) days prior to the start of work, notify all parties in interest of the actual date on which work will begin.

14. Upon completion of the alteration of the crossing, Gigapower, LLC, at its sole cost and expense, furnish all material and perform all work necessary thereafter to maintain the new aerial wire and any ancillary facilities installed in accordance with the approved plan and this Secretarial Letter.

15. Upon completion of the alteration of the crossing, Delaware Lackawanna Railroad, at its sole cost and expense, furnish all material and perform all work necessary to maintain its railroad facilities at the subject crossing including the warning devices and all appurtenant equipment, and, in addition, maintain the asphalt crossing surface, to points 24 inches beyond the outermost rail, in a smooth and satisfactory condition in accordance with Part 8 of the Manual on Uniform Traffic Control Devices and this Secretarial Letter; and provide the Pennsylvania Department of Transportation at least ten (10) business days advance notice when performing any work as directed under this paragraph.

16. Upon completion of the alteration of the crossing, Pennsylvania Department of Transportation, at its sole cost and expense, furnish all material and do all work necessary thereafter to maintain its highway approach roadways to the subject crossing surface to points 24 inches beyond each outermost rail and in addition, maintain the grade crossing advance warning signs, stop lines and pavement markings, if required, all in accordance with Part 8 of the Manual on Uniform Traffic Control Devices and this Secretarial Letter; and provide Delaware - Lackawanna Railroad Company at least ten (10) business days advance notice when performing any work as directed by this paragraph.

17. Upon completion of the work herein directed, and upon written request from any party of record, this proceeding be scheduled for a hearing at a time and place to be determined by the Commission, for the purpose of taking testimony upon the final allocation of any remaining costs incurred by the non-carrier utility companies and other matters relevant to this proceeding.

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered. All filings should be addressed to the Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120. The Commission will not accept documents delivered by fax or by e-mail.
