PARTIES OF RECORD

In re: Application of Norfolk Southern Railway Company for approval to alter the public crossing (DOT 517 986 J) by the installation of a ballast retainer wall and handrail on the southern side of the bridge where South Main Street crosses, below grade, the tracks of Norfolk Southern Railway Company located in Marysville Borough, Perry County.

To Whom It May Concern:

This is to advise that a PUC field investigation and conference will be held for the above-captioned crossing on Wednesday, October 30, 2024, at 10:30 a.m., to discuss the matters involved. The meeting will convene near the site of the proposed alteration at the B&T Public Boat Ramp along South Main Street (nearest address: 737 S Main Street, Marysville, PA 17053; gps coordinates: 40.3321637, -76.9176007)

Please note that the Burley Road crossing (DOT 517 989 E) and the Railroad Street crossing (DOT 506 507 N) located in Penn Township originally included with the application will not be discussed at this meeting as they are private crossings, not subject to PUC jurisdiction. If you are a party of record and have no interest in the South Main Street crossing (DOT 517 986 J) in Marysville Borough, you may request, in writing, to be removed from the service list for this docket, A-2024-3051090.

Kindly arrange to have a representative present.

Best regards,

A handwritten signature in black ink that reads 'Dennis J. Moody'.
