Re: Application of ResCom LLC d/b/a NextVolt Energy for Electric Generation Supplier License; A-2024-XXXXXXX

Dear Secretary Chiavetta:

Enclosed for electronic filing please find an update to the Application of ResCom LLC d/b/a NextVolt Energy ("ResCom") for Electric Generation Supplier License, which is currently pending before the Commission. Based upon communications with Staff, ResCom has become aware that the original continuous bond is on file for ResCom with the Commission at Docket No. A-2023-3043724.

Therefore, Staff has requested that ResCom submit this letter noting that ResCom would like to transfer the original continuous bond that was filed at the prior docket to the newly filed 2024 EGS Application. It is ResCom's understanding that once the original continuous bond is transferred over to the 2024 Application, that application will be processed.

We appreciate your attention to this matter. If anything further is needed, please let me know.

Sincerely,

Karen O. Moury
