

This letter is in response to the complaint filed against Cpm Enterprises Ilc.

Docket number c-2024-3038850

Cpm enterprises was located at 4389 greenwood dr. Kunkletown, Pa 18058

We have recently sold our home and moved. We are a small home-based business. We did have the ooida who applied for our authority, change our address but they must have missed that with the department of transportation. All addresses where change with penn dot for registrations. WE also requested the us post office to forward all mail to the new address. However, this is a problem they do not forward corporate mail only personal. We do from time to time stop by our old home to collect mail. But we do not always get everything because some mail is returned to sender. We also are not receiving any certified mail as well. This has become a major problem for us. How ever Cpm will be closing its doors at the end of November 2024 or at the very least we are done with trucking. We have had extreme hardship this year between major repairs and lack of work. We will be voluntarily surrendering our authority regardless.

Thank you
