Dear Customer,

Tomorrow Energy Corp (“Tomorrow Energy”) has appreciated the opportunity to serve as the Electric Generation Supplier (“Supplier”) for your «UtilityLongName» account. However, in accordance with your terms and conditions, we are writing to let you know that Tomorrow Energy will assign your electric supply service to Verde Energy USA, Inc (“Verde Energy”), another Supplier licensed by the Pennsylvania Public Utility Commission. This change will take effect approximately 30 days after the date of this assignment notice, on approximately «Reassignment_Date». After such date Verde Energy will provide your electric supply service.

Verde Energy is run by an experienced team of energy experts with decades of retail energy supply and utility experience. Verde Energy team’s experience in deregulated energy markets enables them to offer competitive prices and friendly customer service.

No action is required on your part when this transfer occurs. Verde Energy will honor your current agreement in place with Tomorrow Energy and there will be no changes to the existing terms or conditions through to the expiration of the duration of your current contract. This transfer will not cause an interruption of your electric supply services and you should continue to pay your «UtilityLongName» bill as normal and call «UtilityLongName» in case of an outage or emergency just as you do today. You may decline to be assigned to Verde Energy in accordance with the cancellation provisions in your current contract with Tomorrow Energy by contacting Tomorrow Energy at the telephone number below. If you decide to not have your contract assigned, you will be returned to your local electric distribution company default service unless you enroll with Verde Energy or another supplier. As set forth in your current contract with Tomorrow Energy, if you have a fixed rate plan with Tomorrow Energy, your service will continue with the same fixed rate and terms until the end of your contract duration or upon cancellation of your supply service. Thereafter, you will receive information regarding your renewal options. You may also contact Verde Energy directly to see what other options are available to you, including new options with Verde Energy when your contract expires.

If you have any questions about the transfer of service, please contact Tomorrow Energy by «Last_Date_to_Call». For your convenience, the contact information for both companies are shown below. We thank you for the opportunity to serve you and we are confident you will enjoy your new service with Verde Energy.

Importante: Información sobre su contrato de generación eléctrica está incluida

Utility: «UtilityLongName»
Número de Cuenta: «UtilityAccountNumber»

NINGUNA ACCIÓN REQUERIDA: Su servicio continuará bajo su contrato de servicio actual sin interrupción.

Estimado/a Cliente,

Tomorrow Energy Corp. (“Tomorrow Energy”) ha apreciado la oportunidad de servir como su compañía de servicios de energía de electricidad para su cuenta de «UtilityLongName». Sin embargo, de acuerdo con sus términos y condiciones, le escribimos para informarle que Tomorrow Energy asignará su servicio de proveedor de electricidad a Verde Energy USA, Inc (“Verde Energy”), otro proveedor certificado de energía autorizado por Comisión de Servicios Públicos de Pennsylvania. Este cambio entrará en vigor aproximadamente 30 días después de la fecha de este aviso de asignación, aproximadamente el «**Reassignment_Date**». Después de dicha fecha, debe comunicarse con Verde Energy directamente con respecto a su servicio de suministro eléctrico.

Verde Energy está manejado por un equipo de expertos en energía con décadas de experiencia en el suministro de energía y servicios públicos. La experiencia del equipo de Verde Energy en los mercados de energía desregulados les permite ofrecer precios competitivos y un servicio al cliente amigable.

No se requiere ninguna acción de su parte cuando ocurra esta transferencia. Verde Energy honrará su acuerdo actual con Tomorrow Energy y no habrá cambios en los términos o condiciones existentes hasta la expiración de la duración de su contrato actual. Esta transferencia no causará una interrupción de sus servicios de suministro eléctrico y debe continuar pagando su factura de «UtilityLongName» como de costumbre y llamar a «UtilityLongName» en caso de un corte o emergencia, tal como lo hace hoy. Puede negarse a ser asignado a Verde Energy de acuerdo con las disposiciones de cancelación en su contrato actual con Tomorrow Energy contactando a Tomorrow Energy en el número de teléfono a continuación. Si decide no asignar su contrato, será devuelto al servicio predeterminado de su compañía local de distribución eléctrica a menos que se inscriba con Verde Energy u otro proveedor. La misma calidad de soporte y servicio a la que está acostumbrado con Tomorrow Energy continuará con Verde Energy.

Según lo establecido en su contrato actual con Tomorrow Energy, si tiene un plan de tarifa fija con Tomorrow Energy, su servicio continuará con la misma tarifa fija y términos hasta el final de la duración de su contrato o hasta la cancelación de su servicio de suministro. Posteriormente, recibirá información sobre sus opciones de renovación. También puede contactar directamente con Verde Energy para ver qué otras opciones están disponibles para usted, incluidas nuevas opciones con Verde Energy cuando su contrato expire.

Si tiene alguna pregunta sobre la transferencia del servicio, comuníquese con Tomorrow Energy hasta «**Last Date to Call**». Para su comodidad, la información de contacto de ambas compañías se muestra a continuación. Le agradecemos la oportunidad de servirle y confiamos en que disfrutará de su nuevo servicio con Verde Energy.

Preguntas Frecuentes

¿Se cortará mi servicio de electricidad?

No, esta transferencia no causará una interrupción de sus servicios de electricidad y deberá seguir pagando su factura de «UtilityLongName» como de costumbre.

¿A quién debo llamar en caso de un corte de energía o emergencia?

Su compañía de servicio públicos no ha cambiado; debe llamar a «UtilityLongName» para cualquier interrupción o emergencia al igual como lo hace hoy.

¿Cambiará mi tasa actual?

Si tiene un plan de tarifa fija con Tomorrow Energy, su servicio continuará con la misma tarifa fija hasta el final del plazo de su contrato o tras la cancelación del servicio (pueden aplicarse cargos por terminación anticipada). Si actualmente tiene una tarifa variable con Tomorrow Energy, su servicio continuará bajo un plan de tarifa variable. Después «Last_Date_to_Call» con Verde Energy para ver las opciones que hay disponibles cuando expire su contrato.

¿Cambiará el ciclo de lectura de mi medidor o los cargos de servicios cambian?

No, usted continuará recibiendo su factura de «UtilityLongName» como siempre lo ha hecho. El único cambio es que el proveedor ahora aparecerá como Verde Energy.

¿Qué pasará con mi contrato / acuerdo con Tomorrow Energy?

La asignación de contratos está permitida según los términos y condiciones de su acuerdo de Tomorrow Energy. Verde Energy respetará sus acuerdos actuales con Tomorrow Energy, por lo que no se producirán cambios con sus términos o condiciones hasta la fecha de finalización del contrato. Si usted es un cliente de Tomorrow Energy en un Plan de tarifa variable, su servicio continuará en un plan de tarifa variable. También será legible para renovar a un plan de tarifa fija con Verde Energy.

Mi contrato estaba al vencer con Tomorrow Energy, ¿qué significa esto para mí?

Si el contrato expira antes de la fecha de vigencia de su transferencia, su servicio continuará automáticamente de conformidad con los términos de renovación de su contrato a menos que elija una nueva tarifa fija con Verde Energy. Si su contrato expira después de la fecha de vigencia de su transferencia, comuníquese con Verde Energy para obtener sus ofertas actuales del plan.

¿Debo hacer algo para cambiar a Verde Energy?

No, no necesitará hacer nada. Haremos esta transición lo más fácil posible para usted. De acuerdo con su contrato actual con Tomorrow Energy, estamos asignando su servicio de suministro eléctrico a Verde Energy, otro proveedor con licencia por la Comisión de Servicios Públicos de Pennsylvania.

Tomorrow Energy asignará su servicio de suministro eléctrico al Verde Energy, otro proveedor con licencia por la Comisión de Servicios Públicos de Pennsylvania, efectivo con su primera fecha de lectura del medidor después de la transacción de asignación, aproximadamente en «Reassignment_Date».

¿Tendré que registrarme con Verde o pasar por una verificación de crédito nuevamente?

No, Verde Energy le da la bienvenida como su cliente de una manera clara y sin complicaciones.

¿Cómo sabré cuándo comencé los servicios con Verde Energy?

Verde Energy aparecerá como su proveedor en la porción de Suministro de Energía de su factura de servicios públicos.

¿Podré optar de no participar en el cambio a Verde Energy?

Solo puede optar por no participar en el cambio a Verde Energy solicitando que se cambie a «UtilityLongName» o cambie a otro proveedor mientras esté activo con Tomorrow Energy.
