RE: Bond Continuation
Spartacus Energy Services LLC
A-2021-3029728

Dear Mr. Proscia,

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Spartacus Energy Services LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code, including naming the **Pennsylvania Public Utility Commission** as the beneficiary or obligee of the security instrument along with all other required information on the document.

The enclosed financial instrument does not have a "wet ink" original signature or raised seal for the surety company.

The enclosed Continuation Certificate names "State of Pennsylvania" as the Obligee, please correct it to Pennsylvania Public Utility Commission.

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery to my office address listed above.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive.

Rosemary Chiavetta
Secretary of the Commission
