RE: Bond Continuation
Sprague Energy Solutions Inc
A-2015-2469110

Dear Ms. Murphy,

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Sprague Energy Solutions Inc because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed Bond Continuation lists a bond number that does not match the security instrument we have on file. Upon review of Sprague Energy Solutions Inc 's file folder, it appears that the Commission does not hold the Original Bond associated with the enclosed Bond Continuation.

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery to my office address listed above.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Rosemary Chiavetta
Secretary of the Commission
