**Details:**

This officer was assigned to follow up on a complaint that was filed with the Scranton District Office. The complaint was filed by Carl Gross owner of Luxury Limousine Services. In this complaint it states that JJ Serafin has been operating without PA PUC Authority. In further explanation the complainant stated that JJ Serafin has a contract with Luzerne County Correctional Facility, and he has also witnessed this company doing Limousine transports.

The pending status has been verified with the PA PUC Commission. (See attached letter)

This officer is to contact JJ Serafin, Mark, and schedule an interview to conclude whether carrier has made trips during the inactive period.

On December 22, 2023, at approx. 1017 hours this officer spoke to Scott Serafin via the phone. I was able to obtain information from Scott that they have been making Interstate trips daily to New York airports. When asked if they have made any Intrastate trips, he also responded yes. They have a contract with Luzerne County to transport work release inmates. They have not done any weddings, nor have they completed any prom trips. He was advised that I will need to meet with him to review all Intrastate trip information due to a complaint filed. Scott understood and will supply information that will be requested. We discussed meeting Wednesday December 27, 2023, at approx. 0930-1000 hours. He supplied me with the office address and also stated that he will make available vehicles for inspections.

**Actions Taken:**

On December 27, 2023, a phone call was made to JJ Serafin Limousine Services to confirm the scheduled appointment. They were still available for the appointment.

Upon arrival to the said address, I was met by both partners of the business (Scott & Mark Serafin). They explained and were able to provide all letters, documents, and correspondence from the PA PUC. All paperwork was filed and sorted by vehicles, drivers, and insurance for the company. They explained that their

insurance carrier and their attorneys have filed Form E numerous times with the Commission.

During the review of the paperwork, I was shown current insurance policy which was paid in full in October 2023. All insurance cards for the current vehicles which are being operated. A complete driver list was supplied which showed that all drivers have current MVR's, Criminal Histories, and dates they will need updated copies. They then explained that the trips made to New York and New Jersey airports, log sheets and upcoming trips for the next six (6) months.

They were then requested to supply any Intrastate trips for the past month. Log sheets supplied show that they make trips daily (Monday-Friday). These trips are made from the Luzerne County Correctional Facility to two (2) separate businesses. These trips are also pre-arranged to transport county inmates on work release program. The one trip goes to Berwick and the second goes to Nescopeck. The trip pick up is at 0500 and they transport the, back by 1700 hours the same date. They do not have a formal written contract with Luzerne County that they were able to provide but they did state that these trips have been made daily for the past two (2) years.

**Follow-up:**

Contact was then made with the complainant. During the conversation Mr. Gross was advised that the complaint he filed was completed and any documents will be submitted to the Commission. He was also advised that the Commission will be following up as needed. He questioned if there were any trips located and he was advised trips Interstate were located and tris with the Luzerne County Correctional Facility.

Complaint forms, assignment sheet.
