**Re: PPL Electric Utilities Corporation – Chanceford 500kV Rebuild Project
Pennsylvania Public Utility Commission
Docket No. A-2024-3051167, A-2024-3051213, and P-2024-3051163**

Dear Your Honor:

Pursuant to the Prehearing Orders issued October 4, 2024, in Docket Nos. A-2024-3051167, A-2024-3051167 and P-2024-3051163, PPL Electric Utilities Corporation (“PPL Electric”) has commenced publication of notice of the prehearing conference and the deadline for the filing of protests and petitions to intervene in newspapers of general circulation once per week for two consecutive weeks prior to the date of the prehearing conference. In the process of scheduling appropriate advertisements to publish the directed notices, PPL Electric has determined that there is only one newspaper of general circulation applicable to the impacted area. In addition, PPL Electric has determined that other publications that may have previously been in general circulation in the impacted area are no longer in print.

PPL Electric hereby requests that Your Honor modify the October 4, 2024 Prehearing Orders to only require publication of the notice in a single newspaper of general circulation once per week for two consecutive weeks prior to the date of the prehearing conference scheduled in this matter. Alternatively, PPL Electric requests that it be advised whether any such additional, alternative method of notice should be used to comply with these orders, and that Your Honor modify such orders to indicate the alternative method of notice that will be required.

Copies of this letter request will be served as provided on the attached Certificate of Service. Please direct any questions regarding this letter to the undersigned counsel.
