Re: Application of Aqua Pennsylvania Wastewater, Inc. pursuant to Sections 507, 1102 and 1329 of the Public Utility Code for Approval of its Acquisition of the Wastewater System Assets of the Delaware County Regional Water Quality Control Authority, Docket No. A-2019-3015173

Dear Secretary Chiavetta:

Aqua Pennsylvania Wastewater, Inc. (“Aqua”) files and serves this Seventh Status Report in connection with the above-captioned proceeding, as directed by the Presiding Officer, Administrative Law Judge F. Joseph Brady, in his Interim Order Granting Joint Motion for Stay (“Order Granting Stay”) dated February 6, 2023. The Order Granting Stay was based on the City of Chester’s request in its bankruptcy proceeding at Case No. 22-13032 for a stay of Aqua’s Application proceeding at Docket A-2019-3015173, and DELCORA’s Complaint for Declaratory Judgment against Aqua and Delaware County before the Delaware Court of Common Pleas at Docket No. CV-2023-000494. Accordingly, Aqua reports on the status of these proceedings.

In re: City of Chester, Pennsylvania, Debtor, Case No. 22-13032

Consistent with Bankruptcy Judge Ashely M. Chan’s Order of March 7, 2023, Aqua has participated in the sixty (60) day period of discussions on the City of Chester’s claimed reversionary interests in the DELCORA wastewater system. Judge Chan conducted a hearing for May 15, 2023, at which time the City of Chester, Aqua and DELCORA reported to the Court on the status of the Parties’ efforts toward identifying and reaching an agreement regarding identification of any assets subject to the claimed reversionary interest. At the hearing, Aqua identified assets it believed may be subject to the reversionary interest. Aqua also committed to recognize a Reversionary Interest

November 1, 2024

with respect to any assets that are ultimately identified as subject to that interest. On May 23, 2023, the Bankruptcy Court issued an order staying Aqua's DELCORA application before the Pennsylvania Public Utility Commission ("PUC"). Aqua subsequently filed a Notice of Appeal on June 6, 2023 to the United States District Court for the Eastern District of Pennsylvania. Aqua's brief in support of the appeal was filed on August 7, 2023. The City responded on September 6, 2023. Aqua filed its reply brief on September 20, 2023. The parties are waiting for the court to determine if oral argument will be scheduled, or if a decision will be rendered solely on briefing. Aqua filed a renewed request to lift the Stay at Bankruptcy Court which was denied. Oral argument has not been scheduled as of the date of this Status Report.

DELCORA Complaint for Declaratory Judgment against Aqua and Delaware County before the Delaware Court of Common Pleas, Docket No. CV-2023-000494

In this proceeding, Aqua filed preliminary objections to DELCORA's Complaint. Delaware County filed an Answer to DELCORA's Complaint. The court scheduled a hearing on Aqua's preliminary objections for October 12, 2023. However, prior to the scheduled hearing, the Delaware County Court notified the parties that the hearing was canceled and that the preliminary objections would be re-listed after the parties receive the benefit of a Commonwealth Court's decision on Delaware County's appeal of the Delaware County Court's September 13, 2022 Remand Order.

On June 4, 2024, the Commonwealth Court issued its Opinion in Delaware County's appeal from the September 13, 2022 Remand Order, affirming the Remand Order to the extent it granted Delaware County mandamus relief, dismissing Delaware County's Trust-related claims as moot, and acknowledging DELCORA's ability under the Municipal Authorities Act to execute the Asset Purchase Agreement with Aqua. None of the parties pursued an appeal to the Supreme Court of Pennsylvania, and as a result the June 4, 2024 Commonwealth Court Order is final.

As of the date of this update, the Delaware County Court has still not re-listed Aqua's preliminary objections for a hearing.
