Amendment Three to Agreement # 09042689 (P.O. 107379) dated 9-12-24
Docket No. M-2020-3020824

Dear Mr. Ryan:

This letter acknowledges that Commission staff has reviewed the Amendment Three to an existing Act 129 Conservation Service Provider (“CSP”) contract between PPL Electric Utilities Corporation (“PPL”) and The Cadmus Group, LLC, (“CADMUS”), filed with the Commission on September 24, 2024, to implement changes to Agreement # 09042689 (P.O. 107379).

The *Phase IV Implementation Order*,¹ *inter alia*, required all Electric Distribution Companies (EDCs) subject to Act 129 to submit, for Commission review, all proposed contracts with CSPs. (*Phase IV Implementation Order*, Section G, pages 67-71). The Commission must review, and may order the modification of, these proposed contracts. 66 Pa.C.S. § 2806.1(a)(8).

PPL is advised that the above-referenced CSP contract amendment is approved.

¹ *Energy Efficiency and Conservation Program Implementation Order*, Docket No. M-2020-3015228 (June 18, 2020) (*Phase IV Implementation Order*).

Furthermore, we note that approval of this filing does not constitute a determination that such filing is consistent with the public interest and that the associated costs or expenses are reasonable or prudent for the purposes of cost recovery. These issues will be addressed by the Commission in any appropriate plan approval and cost recovery proceedings.

The determinations in this Secretarial Letter have been made by PUC staff under authority delegated by the Commission. Parties have the right to seek reconsideration of this staff action. Parties may seek reconsideration of these directives by petitioning the Commission within 20 days after service of this Secretarial Letter. *See* 52 Pa. Code § 5.44 (relating to petitions for appeal from actions of the staff).
