Good afternoon,

Please be advised that because this matter is a One Call matter, references in the Final Order to “civil penalty” should be reflected as “administrative penalty.” I&E did not catch this in its review of the Ordering Paragraphs of the ALJ’s Initial Decision (the body of the ID uses the proper term). Because the Commission’s Bureau of Administration handles the collection of these penalties differently, I thought it appropriate to bring it to your attention.

If you have any questions, feel free to contact me.
