RE: Bond Rider and Continuation
Great American Power LLC
Docket Number A-2010-2205475

Dear Ms. Binns:

Please find under cover of this letter the financial instrument filed by Great American Power LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code, including naming the Pennsylvania Public Utility Commission as the beneficiary or obligee of the security instrument along with all other required information on the document.

The Commission's regulations at 52 Pa. Code §54.40(a) state that an Electric Generation Supplier (EGS) license will not be issued or remain in force until the licensee furnishes a bond or other security **approved** by the Commission. This bond rider and continuation certificate are being returned because the amount is NOT acceptable by the Commission.

Please file the corrected, originally signed and sealed security instrument with my office within 20 days of the date of this letter, preferably by overnight delivery.

Sincerely,

Rosemary Chiavetta
Secretary of the Commission
