Re: Heidi Fiedler v. Metropolitan Edison Company
Docket No. C-2018-3003642

Dear Secretary Chiavetta:

In accordance with the Interim Order issued by Administrative Law Judge Emily I. DeVoe on October 30, 2024 (“Order”), FirstEnergy Pennsylvania Electric Company, on behalf of its Met-Ed Rate District (“Company”)¹ submits this letter as a status report in the above-referenced matter.

As of the date of this report, Verizon has removed its lines from the old pole on the customer’s property, the Company has removed the old pole itself, and vegetation management has been performed. The Company believes the completion of these projects satisfies the claims unrelated to smart meters and smart meter installation as alleged in Ms. Fiedler’s Second Amended Complaint. On November 13, 2024, the Company contacted Ms. Fiedler to discuss resolution of the matter. During the conversation, Ms. Fiedler stated that she wishes to continue to pursue the Formal Complaint.

Therefore, the Company respectfully requests that a one-day evidentiary hearing be scheduled in January or February 2025.

Should you have any questions or concerns regarding this information, please feel free to contact me.

Respectfully submitted,

James Austin Meehan

cc: Certificate of Service

¹ On January 1, 2024, FirstEnergy Corp.'s Pennsylvania operating companies (i.e., Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company, and West Penn Power Company) merged into FirstEnergy Pennsylvania Electric Company (“FE PA”). Due to the merger transaction, FE PA became successor in interest to all matters previously belonging to the individual Pennsylvania operating companies. As such, the customers of the former Metropolitan Edison Company have their own separate and distinct rate district under FirstEnergy Pennsylvania Electric Company’s tariff.
