

**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Docket No. C-2023-3038563

Bhavin Patel vs. UGI Utilities, Inc. – Gas Division

**NOTIFICATION OF DISAGREEMENT FOR SATISFACTION
TO UGI UTILITIES INC'S REPLY TO COMPLAINANT'S
EXCEPTION TO INITIAL DECISION AND ORDER**

TO THE PENNSYLVANIA PUBLIC UTILITY COMMISSION (Entity):
TO THE PEOPLE OF PENNSYLVANIA (Citizens/Lives/Souls):
TO THE COMMONWEALTH OF PENNSYLVANIA (Space/Location/Platform):

It is clear, very clear, ABSOLUTELY CLEAR that game of Chess is over at Check mate. Complainant has ALWAYS provided all proofs, and all facts (regardless of ALJ, PUC, & UGI chosing not to understand them, ignore them, reject them, omit them, and disallow them to write their spin), however, it was UGI that provided a proof that ULTIMATELY was a check mate to UGI itself. UGI's (failing to understand their own) proof ("UGI's Late-filed Exhibit No 4") which 100% supports complainant's original complaint is the ULTIMATE COMMON SENSE that can't be ignored. Any other outcome is simply flawed. UGI has been wasting everyone's time for 2 years trying to fight against all common sense.

As per the Exception filed by Complainant on October 17, 2024 still stands word for word and it's as real as it is. Complainant NEVER failed burden of proof, and complainant's proof provided is proven and will always be proven true every passing day. However, UGI and PUC has proven enough that their purpose of existence is meaningless, an equivalent to complete zero. UGI's denial of disbelieving in the proof itself submitted, is pure ignorance. It equates to UGI's and PUC's function doesn't serve any good purpose in society for society, therefore they are no longer worthy of any respect or credibility of any sort.

Therefore, it is unspokenly declared that, no one has to believe in or follow anything these fraud self-discredited organizations say or do. Anyone can refer to entire docket for detailed information, and frequently refer back to "original complaint" as ground zero (aka centerpoint).
