PHILADELPHIA PA 19103

RE: Non-Bypassable Transmission Service Charge
Effective December 1, 2024
M-2024-3052122

Dear Mr. Webster:

The Bureau of Audits has reviewed PECO Energy Company's proposed Supplement No. 58 to Tariff Electric – Pa. P.U.C. No. 7 and the supporting rate computations submitted on November 15, 2024 to become effective on December 1, 2024.

Based upon staff review, it appears that the proposed Non-Bypassable Transmission Service Charge (NBT) rates for the six-month period of December 1, 2024 through May 31, 2025 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The NBT is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2024-3052122.

Sincerely,

A handwritten signature in black ink, appearing to read "Rosemary Chiavetta", written in a cursive style.

Rosemary Chiavetta
Secretary
