RE: Fixed-Term Bond
North American Power and Gas LLC
A-2010-2176743

Dear Ms. Gomez:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of North American Power and Gas LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

In all locations where the name of the Principal appears, please note that this must match exactly with the license issued by the Commission. Incorrect principal company name printed above the principal company's signature line.

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery to my office address listed above.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is written in a cursive, flowing style.

Rosemary Chiavetta
Secretary of the Commission
