Case# F-2024-3038453

To Whom it May Concern,

My name is Kevin Clark, and I am the only Heir to my family's namesake. I am trying to make the case that I should not be responsible for my, now deceased parents' decisions. I was not included in nor aware of, any of the decisions my parents made while living. As being the last living heir, I know that I take on the responsibility of maintaining my parents' home and I am just trying to do the right thing. I have always kept my government issued Identification addressed to this home due to past mailing issues, but I have not physically lived with my parents. I moved back home to take care of my mother in her last few months. Upon then, I have been tasked with the handling of the ongoing **GAS UTILITY** issue.

I am asking for assistance in negotiating a compromise to settle this bill and restore gas to my residence. I am willing to pay a deposit of at least **\$1200.00** and to set up a payment arrangement for remaining balance and services moving forward. I have not been able to take a bath nor shower in almost a year. I am using a hot plate and heaters for warmth and survival. Both of which I am scared can cause serious problems especially with over usage. I am begging for any considerations to help work things out. I am trying to prevent the selling of my family home and the possibility of becoming homeless.

Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink that reads "Kevin Clark". The signature is written in a cursive, slightly slanted style.
