RE: Fixed- Term Bond
Midwest Energy Inc
A-2020-3015582

Dear Ms. Sweeney:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Midwest Energy Inc because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The line indicating the date on which the instrument was signed, sealed and dated is January 15, 2025. This future date is not acceptable and must reflect the actual date the bond is signed and sealed by the issuer.

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery to my office address listed above.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first letter of each word being capitalized and prominent.

Rosemary Chiavetta
Secretary of the Commission
