**RE: PPL Electric Utilities Corporation  
Competitive Enhancement Rider  
Effective January 1, 2025  
M-2024-3052564**

Dear Ms. Klock:

The Bureau of Audits has reviewed PPL Electric Utilities Corporation's proposed Supplement No. 385 to Tariff Electric – Pa. P.U.C. No. 201 and the supporting rate computations submitted on December 17, 2024 to become effective on January 1, 2025.

Based upon staff review, it appears that the proposed Competitive Enhancement Rider (CER) rate for the twelve-month period of January 1, 2025 through December 31, 2025 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The CER is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2024-3052564.

Sincerely,

  
Rosemary Chiavetta  
Secretary
