Re: Compliance Filing – General Base Rate Case for Electric Operations

Dear Mr. Webster:

By Order entered December 12, 2024, the Commission authorized PECO Energy Company-Electric Division (the Company) to file tariffs containing the rates, rules, and regulations consistent with the Order, and in the form set forth in Appendix A to the Joint Petition for Non-Unanimous Settlement in the above-docketed rate investigation, so as to produce an annual increase in electric distribution service revenues not to exceed \$354 million, exclusive of a one-time surcharge credit of \$64 million. On December 18, 2024, the Company filed Original Tariff Electric – Pa. P.U.C. No. 8, superceding Tariff Electric – Pa. P.U.C. No. 7, to become effective January 1, 2025, in compliance with the Order.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Original Tariff Electric – Pa. P.U.C. No. 8 is effective by operation of law as of the effective date contained on each page. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or maboyle@pa.gov.

Sincerely,

Rosemary Chiavetta
