Your Honorable Sirs,

1 I respectfully ask for a continuance of time to respond to the PO Assignment Notice <http://www.puc.pa.gov/pcdocs/1860756.pdf> which was received by e-mail on December 27, 2024. I have been unable to access this from the link, which was sent, and I have tried for several days through AOL, Microsoft, and Firefox to no avail.

2 Additionally my husband passed away on Christmas Day. You may verify his obituary and service arrangements at www.atpeacecremations.com Christopher Lynn Bennett, I do not have a Death Certificate to furnish you. I am grieving and planning funeral arrangements, and settling his affairs. I believe I should be in a clearer state of mind for a comprehensive response to any filing or motion in this proceeding.

3. I respectfully ask that I be given the month of January to get my affairs in order before continuing with further proceedings.

4. While I understand e-service is the preferred means of communication, as I am having difficulty accessing these links, I ask that, if possible, could documentation of your decision for a continuance be attached as a document, or in text, to the e-mail as well rather than a link?

Respectfully,
Donna L. Shawfield Bennett
