RE: Bond Rider and Bond Continuation
Town Square Energy East LLC
A-2010-2199551

Dear Mr. Keilson:

Please find under cover of this letter the financial instruments filed with the Commission on behalf of Town Square Energy East LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instruments do not have "wet ink" original signatures or raised seals for the surety company.

In all locations where the name of the Principal appears, please note that this must match exactly with the license issued by the Commission.

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery.

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is fluid and cursive, with the first name being the most prominent.

Rosemary Chiavetta
Secretary of the Commission
