TO ALL PARTIES OF RECORD

Application of PPL Electric Utilities Corp for approval to alter the public crossing (DOT 264 153 H) by replacing two (2) existing utility poles, raising the existing aerial wires, and adding a new communication wire where Wall Street crosses, at grade, a track of the of the SEDA-COG Joint Rail Authority, operated thereon by the North Shore Railroad Company, located in Danville Borough in Montour County

To Whom It May Concern:

By application received by the Commission on December 2, 2024, PPL Electric Utilities Corp (PPL) seeks Commission approval to alter the public crossing (DOT 264 153 H) by replacing two (2) existing utility poles, raising the existing aerial wires, and adding a new communication wire where Wall Street crosses, at grade, a track of the of the SEDA-COG Joint Rail Authority, operated thereon by the North Shore Railroad Company, located in Danville Borough in Montour County.

PPL proposes to replace two (2) existing utility poles on the northern side of the railroad crossing, to raise the existing aerial wires, and to add a communication wire within the joint right of way of Wall Street and the SEDA-COG Joint Rail Authority. The lowest wire will have a minimum vertical clearance of 27-feet 11-inches above the track and the new communication wire will have a minimum vertical clearance of 35-feet 11-inches above the track.

The Commission hereby establishes its jurisdictional limits at the subject crossing as the area within the confines of the railroad right-of-way and the highway right-of-way.

In its application, PPL states that the proposed alterations are necessary to provide adequate, efficient, and reasonable communication facilities and power to the public in Montour County and surrounding area. PPL will be directed to perform the necessary installation, provide for maintenance and protection of highway and pedestrian traffic during installation and accept future maintenance responsibility for the fiber optic facilities, at its sole cost and expense. The cost of the project is anticipated to be \$20,000.

All work is to be performed in accordance with the plan hereby entitled: "EXHIBIT A" consisting of one (1) sheet submitted to the Commission with the application on December 2, 2024.

PPL has served a copy of the application and plan on SEDA-COG Joint Rail Authority, the North Shore Railroad Company, Verizon, the Pennsylvania Department of Transportation, Service Electric Cablevision, CTSI, LLC, Level 3 Optic Communications, Fastbridge Fiber, LLC, Danville Borough and Montour County. All parties in interest were queried by letter dated December 5, 2024, sent via email as to any objection to the subject application and plans, and none of the parties have responded with any objections.

The Commission has exclusive jurisdiction in crossing alterations and is the final arbiter of any fees associated with a crossing application. Any conditions, including fees associated with a crossing application, must be approved by the Commission.

Upon full consideration of the matters involved, we find that a hearing is not necessary and that a Secretarial Letter may be issued approving the application.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that the alteration of the crossing is necessary and proper for the service, accommodation, convenience or safety of the public.

The application of PPL Electric Utilities Corp, is approved as herein directed:
