Re: Natural Gas Supplier License Update of Frontier Utilities Northeast, LLC

Dear Ms. Sweeney:

On August 3, 2024, Frontier Utilities Northeast, LLC (Frontier) filed a notice with the Pennsylvania Public Utility Commission (Commission) in which Approved Energy II, LLC, at Docket No. A-2022-3037379, was assigning all of its natural gas supply customer contracts to Frontier. The filing highlighted an error with Frontier's current natural gas supplier (NGS) license.

By order entered January 9, 2014, Frontier was licensed as a supplier to provide natural gas supplier services to residential, small commercial (less than 6,000 MCF annually), large commercial (6,000 MCF or more annually), industrial, and governmental customers in the natural gas distribution company (NGDC) service territories of Columbia Gas of Pennsylvania, Inc., National Fuel Gas Distribution Corporation, PECO Energy Company, Peoples Natural Gas Company, LLC, Peoples TWP LLC, Philadelphia Gas Works, UGI Central Penn Gas Inc., UGI Penn Natural Gas Inc., UGI Utilities, Inc.<sup>1</sup>, and Valley Energy, within the Commonwealth of Pennsylvania. Absent from this NGS license was the NGDC service territory of Equitable Gas Company.

By Order entered November 14, 2013, at Docket Nos. A-2013-2353647, A-2013-2353649, and A-2013-2353651, Equitable Gas Company and Peoples Natural Gas Company, LLC merged to become Peoples Natural Gas Company, LLC and Peoples Natural Gas Company, LLC - Equitable Division. By Order entered October 3, 2019, at Docket No. R-2018-3006818, Peoples Natural Gas Company, LLC and Peoples Natural Gas Company, LLC - Equitable Division merged to become Peoples Natural Gas Company, LLC. By Order entered August 25, 2022, at Docket Nos. A-2021-3029831 and A-2021-3029833, Peoples Natural Gas Company, LLC and Peoples TWP LLC merged to become Peoples Natural Gas Company, LLC - Peoples Natural Gas Division and Peoples Natural Gas Company, LLC - Peoples Gas Division.

---

<sup>1</sup> UGI Utilities, Inc., UGI Central Penn Gas Inc., and UGI Penn Gas Inc. have all merged into UGI Utilities Inc.

With this Secretarial Letter, the Commission updates Frontier's license to correctly list its NGDC service territories, including the full Peoples Natural Gas Company, LLC service territories. The NGDC service territory of Equitable Gas Company may no longer be added separately since it has become a portion of the Peoples Natural Gas Company, LLC - Peoples Natural Gas Division and Peoples Natural Gas Company, LLC - Peoples Gas Division service territories. Furthermore, Frontier has already been licensed in the remaining portions of these service territories in its initial license.

Frontier has provided documentation to evidence its compliance with the Section 2208(c) bonding requirement for the missing natural gas distribution company service territory. Furthermore, Frontier has provided proof of service to the interested parties as required by the Commission. No protests were filed.

**The Secretary's Bureau will issue a new license to Frontier Utilities Northeast, LLC giving them the right to begin to offer, render, furnish, or supply natural gas services as a supplier to residential, small commercial (less than 6,000 MCF annually), large commercial (6,000 MCF or more annually), industrial, and governmental customers in the natural gas distribution company service territories of Columbia Gas of Pennsylvania, Inc., National Fuel Gas Distribution Corporation, PECO Energy Company, Peoples Natural Gas Company, LLC – Peoples Natural Gas Division, Peoples Natural Gas Company, LLC – Peoples Gas Division, Philadelphia Gas Works, UGI Utilities, Inc., and Valley Energy, within the Commonwealth of Pennsylvania.**
