

C-2024-3051085

according to the PREHEARING ORDER FOR TELEPHONE HEARING which I received in the mail on November 22, 2024, ..."*you should file a Certificate of Service with the Secretary's Bureau indicating you sent the proposed documents or exhibits to every party.*" I called the Secretary's office (717-787-1191) multiple times on November 26 and 27, as well as on December 5, asking staff for a Certificate of Service form so that I could submit one properly. No one could tell me what one was nor could anyone find a form to send me. On December 5, I received a call from Mary at the PUC Pittsburgh office in response to my search for a Certificate of Service form. She said there was no such thing. I was instructed to take a piece of paper and write on it an explanation of the exhibits sent.

This piece of paper shall consist of my Certificate of Service.

I sent two exhibits to Administrative Law Judge Mary D. Long, as well as to Jennifer Petrisek at Peoples Natural Gas Company, by email on Thursday, December 19, 2024, at 2:02pm. The exhibits attached to the email were in PDF format. One was entitled *Exhibit 1 -- photos, pictures, and explanation re subject tree*. The other was entitled *Exhibit 2 -- letter to PUC Sec Chiavetta re Peoples Gas claims*.

Attached to this Certificate of Service is a printout of the email which I sent. The two attached exhibits are identified as Exhibit 1 and Exhibit 2. There is also a reply from Jennifer Petrisek.

Thank you,

Joe Yarzebinski
