**RE: Newtown Artesian Water Company, Inc.  
Petition for Approval of Lead Service Line Replacement Program  
Docket No. P-2023-3041859**

Dear Secretary Chiavetta:

Please be advised that I am general counsel to Newtown Artesian Water Company, Inc. (“NAWC”). By order dated December 16, 2024, Administrative Law Judge Brady directed that I file a status report in the above-referenced matter every thirty (30) days. The initial report was filed on December 20, 2024. Please accept this letter as the next report.

On December 20, 2024, I delivered revised versions of NAWC’s Petition, Lead Service Line Replacement Plan, and Tariff Supplement to Mr. Breitman for the Office of Consumer Advocate (“OCA”), and Steven C. Gray, Esq., for the Office of Small Business Advocate (“OSBA”) for their review. These revised documents reflected settlement terms requested by OCA.

I spoke briefly by phone with Mr. Breitman on Friday, January 17, 2025. He stated that OCA is in agreement with the draft documents. The drafts are currently being circulated through OCA’s standard process for official approval. If you have any questions or require any information relating to this matter, please feel free to contact me.

Very truly yours,  
  
Thomas J. Walsh III
