Dear Sir/Madam:

On December 20, 2024, the Commission received an Application of Accenture LLP for approval to supply natural gas services to the public in the Commonwealth of PA. Upon review, the Application has been determined to still be deficient for the following reason:

- The Application is outdated. Your Application must be based on the latest version of the template, accessible in the application packet on our website. (In other words, the revised version date on the application form must be listed as "1/24/24" and not "4/13/23".)

Pursuant to 52 Pa. Code §1.4, you are being advised of this deficiency and are required to file corrections. Failure to correct the foregoing missing information within 20 days of the date of this letter will result in the Application being returned unfiled.

Please return your item to the above listed address and address to the attention of the Office of the Secretary.

If you have any question in regards to this letter, please contact our bureau at (717) 772-7777. Thank you

Sincerely,

A handwritten signature in black ink that reads 'Rosemary Chiavetta'. The signature is written in a cursive, flowing style.
